

Submitter: LeaAnn Shipman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The government keeps saying that they want to decrease homelessness, but keep raising taxes on everything. People can NOT afford to pay more taxes on everything. Something has to give, if they can't afford to pay rent, utilities, insurance, gas, food, how do expect them to live. Oregon government has become a government of the politicians not a government of the people.
