

Submitter: Max Walker

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am opposed to the proposed tax increases outlined in HB 2025. I am also opposed to the proposed change to how the ODOT director is chosen. Increased taxes and adding to financial burdens of Oregonians in an already stressful time is not what this legislature should be doing. I believe that giving the governor the ability to select ODOT director sets a dangerous precedent to make this position a partisan position.
