Measure, Appointment or Topic: HB2025

As Robert Lanphere JR. from Beaverton, Oregon, I am writing to express my strong opposition to HB 2025. This bill represents a devastating blow to Oregon families already struggling with high costs. The proposed increases are simply unacceptable: a 37.5% gas tax hike, title fees soaring to over \$70, registration fees exceeding \$50, and driver's license fees skyrocketing by up to 270%. Furthermore, linking the gas tax to inflation ensures that these burdens will only grow year after year. Oregon's cost of living is already a significant challenge for many; HB 2025 will push us further into financial hardship. I urge you to reject this bill and prioritize the financial well-being of working Oregonians.
