Measure, Appointment or Topic: HB2025

My name is Anne Veysey from Salem, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. It also punishes those of us on a fixed income. The implementation of tolls is outrageous and stupid.

When are the state and local governments going to start working smarter and eliminate the ineffective and duplicate working practices instead of taking more money from fellow Oregonians?
