I am opposed with the new tax proposal by the Democrats. It seems that the Democrats are at a loss to find a way to fund all their illegal programs. Enough is Enough !!

I have lived and worked in Oregon for 50 years, paid my taxes, both state and real estate, watched everything I do being taxed more every year and for what ? So you

politicians can fund programs that I don't like, spend money on causes I don't agree with, force your opinions on the general public. I have no idea what you stand for other than

putting American citizens up against the wall while you fill your pockets with taxpayer dollars. SHAME, SHAME on you. Do the right thing and go back to where you came from

and let someone who really cares about Oregonians and the American citizens.
