

Submitter: Brian Johnston

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Brian Johnston from Salem, Oregon.

I strongly oppose to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough.

Please work within the State's current budget and resources. We are all struggling in this current economic season, especially here in Oregon, and cannot afford higher costs due to increased government taxes and fees.

Thank you for your time and service to Oregon!
