

RE HB 2025

6/11/2025

My name is Brenda Lae, and I live in Gresham, Oregon. I'm writing to express my strong opposition to House Bill 2025.

With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on those on fixed incomes like myself. This bill will be one more incentive for working families to leave Oregon, where they are treated as cash cows with an endless supply of money for taxes.

I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has. What Oregonians need is a DOGE program for Oregon.
