Measure, Appointment or Topic: HB2025

My name is Alex Casebeer, and I live in Salem, Oregon. I'm writing to express my strong opposition to House Bill 2025. This bill will add a huge additional burden on my customers and employees, and with the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair strain on working families and employees like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
