Measure, Appointment or Topic: HB2025

Co-Chairs McLain and Gorsek and Members of the Committee,

My name is Lauren McCune, and I live in southeast Portland, Oregon. I'm writing today to support House Bill 2025 because I want safer streets for my family and my community.

As a parent and bike bus leader for Abernethy Elementary, I see my child and her fellow classmates bike along unsafe roads to get to school every day. We've had too many close calls.

The Safe Routes to School and Great Streets programs will make our streets safer for everyone, especially kids, elders, and people who don't drive.

Finally, while I fully support on-street safety investments, they often lead nowhere if we don't also fund off-street connections. That is why I urge you to include funding for the Oregon Community Paths program to create a complete and connected network.

I urge you to support HB 2025 and fully fund these life-saving programs.
