I strongly oppose House Bill 2025. Raising Taxes is taking a huge toll on us and our family's younger generation who are trying to move out of Oregon, they see it's high taxes compared to other states. We feel all the empty Bike Lanes, Buses, and Max Trains are wasteful and all about supporting Portland, NOT the majority of Oregonians who have to pay these increased taxes. PLEASE USE OUR DOLLARS FOR ROADS ONLY, AND DON'T RAISE TAXES. These are very difficult times financially and we wish to be heard. NO MORE TAXES, PLEASE.
