Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Hello Committee members,

As a car-free Oregonian, I know how important public transit is to the 30% of people who do not have a driver's license in the United States.

As the Father of an elementary school student, I know that we must reduce car trips to meet our climate goals.

Fund the bus. Build more trains. Ride your bike.

Thank you,
Shawne Martinez
