I'm writing to express my strong opposition to House Bill 2025

Is there any accountability at ODOT? We have been shoveling funds to that state agency with little to no fiscal accountability for decades and now you want to fleece the taxpayers for more funds?

Overtaxed Oregonians can not afford to be continually be fleeced year after year and this bill would make it even more difficult to get by.

With the cost of living already straining Oregon families, raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
