Measure, Appointment or Topic: HB2025

I am a senior on a fixed income, and I have children who would like to stay in the state of Oregon, who are taxpayers and have four children who would also like to stay in the state of Oregon, but will not and cannot if you keep on taxing us to death. State income taxes, ridiculous property taxes aren't much better and should not be abused. Just because we don't have a sales tax. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough if you want to keep our state populated and not have people having to leave because of the cost of living here please vote no thank you for your time.
