Measure, Appointment or Topic: HB2025

I'm writing to express my strong opposition to House Bill 2025. The cost of taxes is already straining Oregon families. We live in one of the highest tax environments in the nation. This bill would make it even more difficult to get by, causing more citizens and businesses to flee the State. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families by raising the cost of everything downstream in the supply chain. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
