Measure, Appointment or Topic: HB2025

I live in Coburg, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families. I urge you to vote no on HB 2025.

The legislature needs to focus on holding ODOT accountable and making better use of the funding it already has.

Thank you,

Daniel Landry
