Measure, Appointment or Topic: HB2025

I oppose HB 2025. NO NEW TAXES! We already pay road taxes and there is no need for additional transportation taxes or tolls. An audit is always a good idea. Wouldn't you want to know how your own money is being spent or wasted? Gas taxes only hurt Oregon's economy and businesses. Any additional taxes will be passed on to the poorest of hard working Oregonians. Don't you see that many restaurants and businesses have already closed up or moved elsewhere? When does it stop? And the working poor don't want to pay for transit buses that everyone is afraid to ride on! Please don't turn Oregon into a Welfare State.
