

Submitter: DANNY O'NEAL

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Why are we adding yet another tax load to the plates of Oregon residents?

These are all regressive attempts to cure a problem by creating more problems.

My personal funds are set as a retired person and new taxes and School Bonds passing only limits my discretionary money left at the end of the month.

DO NOT PASS THIS ALBATROSS to add more subtractions from the Oregon residents income.
