Measure, Appointment or Topic: HB2025

I am writing to ask you to pass HB 2025, Transportation Reinvestment Package. Oregon communities need a better transportation system that is healthy, affordable and safe. I am a senior living on a small fixed income and no longer own a car. Good and reliable public transit is essential for me, but beyond my immediate need is the urgency to advance Oregon's climate goals and protect future generations. Thank you.
