On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

The people shall have the right to bear arms for defense....

Restricting the rights of the people is not constitutional.

The State seeks to find ways to make honest, hard working, taxpayers into felons in order to take control of taxpayer assets and labor.

The State seeks to destroy the middle class so the elites can control a subservient second servile class.

I oppose your gun control proposals in the strongest possible ways!
