

Submitter: Foster Rickert
On Behalf Of: self
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

Why I oppose HB 2025, You should read the short book called "Legal Plunder" It talks about how its ok for the government to take people's money without any accountability. Whereas, if I did the same thing, I would be a criminal. I am retired and on a fixed income. "Can I have some of Your Money"!!!!
