Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is not acceptable. This bill punishes the working families just trying to get. It also puts a huge burden on those of us on a fixed income. Enough is enough, "We the people have spoken" STOP over taxing us.
