

Submitter: Thomas Ochinero

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Investing in Frog Ferry is investing in the Portland metro, and Oregon's economy. Think of the tourist interest and dollars it will attract to the region and State economy. For locals - think of traveling from Downtown to St. Johns in just 20 minutes! The benefits will accrue as the system becomes a true alternative for some residents, as well as a new attraction for visitors. Please support funding Frog Ferry in this legislation. Thank you.
