

Submitter:	David Wall
On Behalf Of:	Mr Oregon SUPPORTS HB 3582
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	HB3582

I SUPPORT [HB 3582 A].

The hideous crime of sexual abuse of a child should not be protected by the statute of limitations.

The removal of the term "knowingly" removes a "Negligence" defense for the Defendant.

[HB 3582 A] is long overdue to hunt down sexual predators of children to bring them to justice.

David S. Wall  
Mr. Oregon Concurs.
