

Submitter: Sur Walker

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Government is for the people

This bill and every bill by the Democrats are to tax us instead of balancing the budget.

No tax increase bills or any bill should be behind closed doors . No bill should have more then one item. .

Transparency!!!!

These affect every Oregonian. We have a say via our voting .
