

Submitter: Tyler Burdsall

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

There's no doubt about it, our community needs TriMet to thrive. It is arguably the best public transit system on the west coast of the U.S.

By helping cover the rising costs of public transportation, thousands of residents can ensure they continue to receive reliable, quick, and affordable means of transportation (myself included).
