

Submitter: Tom Dahlin

On Behalf Of: HB 2025

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is tom Dahlin, and I live in West Linn, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, I am a small business owner doing business all up and down the I-5 corridor, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.

I am in favor of HB 3982
