

Submitter: Benjamin Scott  
On Behalf Of: NA  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

I would like to submit testimony in support of HB 2025. This infrastructure bill would help to fund needed maintenance and improvements for our roadways, as well as improve transit and pedestrian safety. While funding these projects will cost more in taxes, I feel it is well worth the additional tax to improve the infrastructure in our rapidly growing region.
