SB243

I oppose new firearms restrictions on citizens of Oregon. The focus should be on holding criminals accountable for illegal firearms use. Restricting purchasing requirements, waiting periods, making bump stock illegal, requiring mandatory training, restricting magazine capacity and other carry restrictions will not have an impact on crime with firearms in Oregon. I have lived in many countries around the world and people always find a way to assault or kill others with knives, spears, machetes, bombs, and other devices. Oregon citizens deserve the right to defend themselves without any more restrictions.
