Measure, Appointment or Topic: HB2025

My name is Jason Steiner, and I live in Corvallis, Oregon. I'm writing to express my strong opposition to House Bill 2025. Not only will raising gas taxes, registration fees, and payroll taxes have negative effects on ordinary citizens, but Oregon's out of control tax and spend culture in government is a MORAL failure. None of you have any right to our money. We earn it. You don't. You just take and waste, take and waste, take and waste. Enough is enough. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
