SB243

Once again I find myself submitting testimony SB 243. Now regarding amendment dash 13 this is going to be a costly boondoggle for the state at a time when the state is struggling to with the budget as it is. Now regarding the provision about grounds adjacent to government property is terrible!. I'm a disabled senior and rely on my CHL handgun for protection. I cannot simply run away from danger and have no choice but to stand my ground. This is another terrible bill that will turn law abiding citizens into criminals.
