It is unconstitutional for any law on firearms and every thing that is needed for that firearm to operate. To infringe on what is clearly written in our constitution is purely unconstitutional. By allowing this bill to pass will only bring this country closer to civil unrest. Guns don't kill people. People kill people with whatever means they choose. Hammers, rocks, knives, baseball bats, you get my drift. The law abiding citizens will be the ones who become criminals or sheep. I swore an oath that has no expiration. Against all enemies foreign and domestic and I expect you the elected officials to do the same.
