SB243

I am opposed to any further gun laws or restrictions on the 2nd amendment. Oregon lawmakers have worked for years to slowly strip away my rights to defend myself and my family. In addition lawmakers have been soft on crime and work to tie police departments hands while cutting their budgets. Crime has skyrocketed because of it and victims are left to suffer. We the people should not have any limitations or restrictions on protecting ourselves and our children from coddled criminals in this state. Oregon has the most registered sex offenders and child predators over all other states. Oregon lawmakers and the rich get armed security to protect them, all while the poor and people of color get our rights stripped away. VOTE NO ON ANY ADDITIONAL GUN LAWS/RULES. Our rights shall not be infringed....period.
