

Submitter: Sheila Thompson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Any tax increase needs to be run by the citizens of Oregon, via a vote. Any kicker change shouldn't be allowed period we voted that in and no changes were part of that vote. Just like your constituents you need to run your budgets to balance. Stop paying for items not all get. NO is my tax increase vote.
