

Submitter: Vy Vo

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My friends live in St. Johns, and I worry about what would happen if they needed to leave quickly in an emergency. A safe, functioning bridge is essential for their safety and peace of mind. Please support HB 2025 to ensure St. Johns residents aren't left without a way out when it matters most.

Thank you.
