SB243

Full automatic firearms are already heavily regulated on a Federal level.

Criminals do not abide by laws by definition...

Outlawing legacy owned devices to make some feel safer, just makes criminals of currently law abiding people.

As Benjamin Franklin stated, "Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety."

Please quit making poor decisions that effect the Constitutionally protected 2nd amendment rights of law abiding people and start holding criminals accountable for their transgressions.
