I oppose this bill it only hurts law abiding citizens has no effect on criminals. This bill will also put law abiding citizens lives in potential danger by limiting where a person can legally carry their firearm. This bill would make law abiding citizens have to choose between braking the law and keeping their legally owned firearm on them and potentially getting charged with a crime or especially with the females leave their firearm in their vehicle to potentially get stolen or leaving it at home and run the risk of being kidnapped, robbed, raped, or murdered.
