SB243

I oppose this and all bills subject to infringe on my constitutional rights as an American citizen. We are walking by a fine line between freedom and the beginning of a modern day holocaust with these laws to restrict certain gun modifications or magazine capacity bans on law abiding citizens. Issues like this is why Oregon has become an unbearable place to live and raise your family. I ashamed to call myself an Oregonian, I'm ashamed the same leaders keep getting voted into office here in Oregon. It's time for a change and it starts here by getting rid of this bill.
