Committee:	House Committee On Rules
Measure, Appointment or Topic:	SB243

To Whom It May Concern,

I am writing as a concerned resident of Oregon to voice my strong opposition to SB 243. I believe this bill represents an overreach that infringes upon the rights guaranteed by the Second Amendment of the United States Constitution.

SB 243 proposes additional regulations that are not only unnecessary, but also redundant, as many of the issues it seeks to address are already covered under existing federal law. Implementing further restrictions at the state level serves only to confuse law-abiding citizens and adds undue burden without offering any meaningful improvements to public safety.

I urge the committee to consider the constitutional implications and practical consequences of this bill. Please do not move forward with SB 243 and stand in defense of the fundamental and constitutional rights of Oregonians.

Respectfully,
Mathew Mullikin
