Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose HB 2025. We do not need more taxes. Work within the budget. Dutch Brothers that was founded in Grants Pass, Oregon is moving their billion dollar corporation to Arizona. How many more businesses will leave because of your drunk spending and making the Oregonians pay for it. Do you not care about the people in Oregon? Vote no on HB 2025.
