

Submitter: Tricia Laine

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please chose to fund Frog Ferry!

I have lived in St Johns/Cathedral Park for over 10 yrs and have seen the traffic driving through St Johns increase so much!

We could save money on road maintenance and have improved air quality for our community.

Also I lived car-less in Brisbane Australia, and the ferry system was so fun and so practical and convenient.

Thank you

Tricia Laine, RN, mom of 2 young kids and incoming Sitton PTA Vice President
