Measure, Appointment or Topic: HB2025

Please support HB 2025 Sections 111 and 117, which establish the Oregon Department of Transportation (ODOT) Wildlife-Vehicle Collision Reduction Fund at an annual rate of \$10 million per biennium. Vehicle collisions and habitat loss are making it harder for wildlife to migrate and go where they need to go to survive.

Wildlife needs our help. I urgently request that you support the above measures.

Thank you!
