

Submitter:

Shannon Weinhold

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB243

I oppose any new regulation that will turn a now legal firearm into an illegal one. Fix the problems within the community that lead to issues with firearms... bullying in schools, untreated mental health issues... work on the problems that lead people to commit crimes. Don't punish the people who would never use a firearm for anything other than protecting their lives from a lethal threat. The second amendment guarantees us that right.... and it shall not be infringed.
