

Submitter: David Smith

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

To whom it may concern:

I'm a lifetime hunter, target shooter, and user of our outdoor spaces

The passage of this bill will make it nearly impossible to train new sportsmen, and will effectively disarm legal gun owners(the real reason behind this legislation)

Much, if not most of the pending legislation is unconstitutional , this will trigger a supreme court review, as well as multiple private suits due to citizens having their constitutional firearms purchase rights denied

These unnecessary actions are going to do nothing about crime, and will cost millions to enforce, that the State does not currently have

Thankyou, David Smith
