Any Democrat that continues voting for garbage Bills like 243 has turned their backs on the Constitution and the Rights of Oregon's tax paying, law-abiding citizenry. The hypocrisy and subterfuge to get the state into this position in Salem is stunning.

Any "Republican" who does not WALK OUT of the upcoming voting procedure that will vindictively pass this anti citizen Bill should be ashamed and voted out of office.

Having a meaningless no vote on this and similar anti 2A Bills is nothing short of fraud if those words dare to come out of your mouths while campaigning.

Republicans know very well that the only recourse left to this mob rule is to not stand for one more affront onto the most law abiding, vetted citizens of this lost state.

WALK OUT
