

Submitter:

Robert Sutphin

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB243

I believe it has already been stated by the federal government that these devices do not make a firearm function as a machine gun. With the financial shortfalls this state has legislators keep pushing bills that do nothing for public safety and only infringe on law abiding citizens. I believe mental health and the homeless crisis should be the priority these things are the problem not law abiding citizens. Let throw tax payers money at the real problem not down a rat hole.
