

Submitter: Jerry Fraser

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

I oppose this bill as it infringes on our rights as free and responsible citizens to enjoy and practice using firearms that have been passed down through generations of our friends and families. It makes tax paying responsible citizens into criminals by simply having them anywhere besides their homes and only intends to make them useless. Please dismiss this bill to uphold our god given rights to own and possess these items.
