SB243

I OPPOSE this bill! Not only will it criminalize safe and law bidding citizens but it's a huge waste of tax payer funds. Not to mention the infringement on our 2nd amendment write as Americans, most Oregon legislatures and two senators should be tried for treason for not up holding their oath to office. As a third generation Oregonian it makes me wonder if this is the state to stay in for the the 4th and 5th generations with how criminal Oregon politics have become and how not for the people of Oregon they have become. The financial part of this bill goes to show how wasteful Oregon democrats have become with tax payer funds and how little they know about firearms they should be ashamed.
