

Submitter:

Donovan Haak

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB243

I strongly oppose SB243. Basically impossible to enforce. The people who illegally use firearms already do not care about the long list of gun control laws on the books.

Please use this time, effort, and money work on the root of the problems in our state like mental health. Or maybe fix the drug laws so our law enforcement can do their jobs.
