

Submitter: Eamonn Reynolds-Mohler

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Please oppose. Once again, Oregonians cannot afford any increase in taxes and fees. Oregon does not have a revenue problem; recent and current leadership has a spending problem. There is more than enough money to meet the needs of the state, yet lawmakers continue to try to squeeze citizens' wallets. Oppose.
