I oppose this money guzzling bill. Enough is enough. Oregon is already one of the highest taxed States in America. Call it what it is! A SALES TAX! Oregon voters have rejected a sales tax every time it comes to the voters. Our socialist/democratic government tries any sneaky way they can to extrude more and more of the taxpayers hard earned money. It is not a money problem. It is a spending problem. More government taxation on its citizens is not the answer....IT IS THE PROBLEM?
